Renewable Energy Sector

Ashok Gehlot
Chief Minister

Invest Rajasthan 2022 is the manifestation of our commitment to building enduring partnerships with private enterprise for development of the state and prosperity of our people. It is an important milestone towards delivering on the commitments made by us to investors.

I invite you to experience and benefit from the bouquet of exciting opportunities Rajasthan has to offer, and to join us in building a promising future for all of us.

RAJASTHAN SCENARIO

#1 in Solar Capacity Installation

3535 MW Wind Power Plants in Jaisalmer

5.72 Kwh/m2/day
Highest Solar Radiation in the Country

Fully Operational Solar Park over 5783 ha, 2245 MW Solar Park in Bhadla, Jodhpur

#5 in Wind Capacity Installation

325 Days/Year
Highest number of Clear Sunny Days

Vast tracts of Government land available at competitive rates

Record low solar tariff of **INR 2.44/unit** Solar Park, Bhadla, Jodhpur

Largest Industrial Land Bank in India

360+

well developed industrial areas across the State

150

upcoming industrial areas across the State

Major Existing Players

INDIA SCENARIO

450^{GW}

India's Renewable Energy target for 2030

#4

Global position for overall Installed Renewable Energy Capacity

17.33%

CAGR Installed renewable power generation capacity

10^{BN USD}

Renewable Energy FDI equity inflows from April 2000 to March 2021

24.53%

Total Installed Generation Capacity

100%

FDI allowed in Renewable Energy Generation and Distribution projects under automatic route

750-800^{MN USD}

Estimated Onshore Wind Energy component market in 2021

2.1-2.3^{BN USD}

Estimated Solar Equipment (module, inverter and racking & mounting) market in 2021

RAJASTHAN INVESTMENT OPPORTUNITIES

On Cover: Saurya Urja's Solar Park, Bhadla, Jodhpur

- Solar Power Generation
- Solar Parks
- Rooftop Solar Generation
- Solar Component Manufacturing
- Water body based floating Solar Projects
- RE based EV Charging Stations
- Wind and Hybrid Power Generation
- Wind Energy Equipment Manufacturing
- Solar/wind/hybrid energy projects with storage systems
- Green Hydrogen Production

24-25 Jan 2022 > JAIPUR

Committed. Delivered.

COMMITTED to collaborative development, Rajasthan invites the global business community for a win-win partnership.

Invest Rajasthan is State's active investor outreach program that aims at soliciting investment proposals, processing them on a mission mode and taking them to fruition.

Invest Rajasthan 2022 Summit being organised on 24th-25th of January, 2022, in Jaipur has been conceived as a major milestone event in this campaign.

It will mark fructification of investment proposals in the form of inauguration of completed projects and ground breaking for upcoming investments. The Summit will also be a platform for beginning of new investments and partnerships.

You are cordially invited to be a part of Invest Rajasthan and to witness the promise of a prosperous future being DELIVERED.
